

BAKER
EQUIPMENT & SUPPLY

Product Catalog

50 YEARS

Dear Customers,

In 2016 we at Baker Equipment & Supply celebrate our 50th year of car washing excellence. We would like to thank those who have helped make our company such a success and extend a welcome to those who are new to the carwash industry. Since 1966, Baker Equipment & Supply has provided our customers with quality products, quick professional service with unrivaled customer support.

In the early years of operation, our primary focus was directed toward chemical distribution and replacement parts. Having the reputation of a true “stocking distributor” our customers have grown to expect large inventory on all parts and chemicals. We pride ourselves on carrying and keeping the latest products and staple items in inventory and available to our customers through same day shipping. Located near downtown Dallas, Texas, our offices are open 6 days a week to better serve our valued customers.

Since our modest beginnings, Baker Equipment has grown into a multi-million dollar development company with capabilities in all carwash segments including self-service, automatic and conveyor facilities. We provide ongoing support and service through our extensive service company which operates fully stocked service vehicles with factory trained personnel.

Baker Equipment & Supply extends to you an invitation to experience for yourself the quality of our products and service.

Tunnel Chemicals

HPH Powder

HPH Powder is a strong alkaline powder that can be used safely and effectively in all types of washes. 55lb.

Order No. **111155**

Rhino Brite

Super strong acid presoak for use in two step processes. This high foaming, easy rinsing formula is great for removing window mask and for giving cars a shiny "pop." Available in 6 gallon and 30 gallon containers.

Order No. **1512**

HA Powder

Contains Blendco exclusive surfactant activators to tackle tough cleaning tasks. Higher saturation point than other SuperSat powders to achieve higher SuperSat tank strengths. 48lb.

Order No. **117048**

Rhino Brite XF

Has similar cleaning properties as Rhino Brite but with extra acid power for a best in class wheel cleaner. Excellent for removing window mask and brake dust. Available in 6 gallon and 30 gallon containers.

Order No. **1513**

SS Remover Bug with Fragrance

Softens bugs on the vehicle for easy removal with high pressure rinse. It has a great grape fragrance. It can also be used as an effective presoak. Available in 6 gal and 30 gal.

Order No. **1148**

Rhino Brite Triple X

Our strongest low PH cleaner. Great for removing brake dust. Fast acting and high foaming. Available in 6 gal.

Order No. **1511**

SS Presoak Plus

High foaming presoak with a vibrant red color and a pleasant mulberry scent. Available in 6 gal.

Order No. **1147**

SS Tire Cleaner with Fragrance

A specific blend of surfactants to clean tires and wheels. It has a great evergreen scent and bright yellow color. Available in 6 gal and 30 gal.

Order No. **1117**

Tunnel Chemicals

SS Baywash Plus with Fragrance

The highest foaming high pressure soap with a fantastic cherry scent. Available in 6 gal.

Order No. 1145

Pink Foam Brush

Provides a thick, pink foam with a pleasant citrus scent. Available in 6 gal.

Order No. 1113

Tunnel Vision Bug Remover

For use in low pressure bug remover applications. Provides a unique blend of ultimate wetting surfactants to soften bugs for easy removal. Available in 6 gal.

Order No. 1471

LA Advanced

Liquid alkaline. Specifically designed for extra punch of cleaning. Good for friction or touchless washes. Available in 6 gal.

Order No. 1172

Foam Brush

High foaming brush detergent formulated for operators that do not want color. It has a pleasant citrus scent. Available in 6 gal.

Order No. 1106

SS Automatic Detergent

A Presoak specifically designed for in-bay automatics to quickly and safely remove dirt and soil. Available in 6 gal.

Order No. 1104

Super Brush

A high foaming detergent with powerful cleaners added. Good cleaning with a lot of foam. Available in 30 gal.

Order No. 1008

Tunnel Chemicals

Super Blend Purple Presoak

A presoak with a grape scent and a thick purple foam. Available in 30 gal.

Order No. **1680-SB**

Tunnel Vision Undercarriage

Undercarriage wash for conveyors with rust inhibitors. Available in 6gal and 30 gal.

Order No. **1490**

Super Scent Spearmint Fragrance

Spearmint fragrance additive to enhance virtually any car wash chemical or to be used online to enhance the wash experience. Can also be used as a Prep Soap or sprayed inside the vehicle for a lasting scent. Available in 6 gal.

Order No. **154206**

Rhino Foam Extreme

Our most vibrant tricolor. Delivers outstanding foam and cleaning with a fresh cherry scent. Available in Red, Blue and Yellow. 5 gal and 30 gal.

Order No. **1683**

Super Scent Pina Colada Fragrance

Pina Colada fragrance additive to enhance virtually any car wash chemical or to be used online to enhance the wash experience. Can also be used as a Prep Soap or sprayed inside the vehicle for a lasting scent. Available in 6 gal.

Order No. **154406**

Rhino Foam Extreme Plus

Low PH foaming tricolor conditioner with an extra boost for better performance. Designed to have the richest colors and thickest foam. Has a fruity fragrance. Available in Red, Blue and Yellow. 5 gal and 30 gal.

Order No. **1095**

Super Scent Green Tea Fragrance

Green Tea fragrance additive to enhance virtually any car wash chemical or to be used online to enhance the wash experience. Can also be used as a Prep Soap or sprayed inside the vehicle for a lasting scent. Available in 6 gal.

Order No. **154306**

Color Coat

High quality tricolor polish with rich foaming and wax properties. Delivers vibrant colors and a pleasant berry fragrance. Available in Red, Blue and Yellow. 5 gal and 30 gal.

Order No. **1031**

Tunnel Chemicals

Molten

Molten Shine is a high foaming, low pH cleaner intended for early application in tunnels. It is recommended for use in foaming arches placed throughout the tunnel. Molten Shine is available in green, orange and purple for a foamy show of colors! Available in 6 gallon and 30 gallon containers.

Order No. 1557

Total body protection with polymer film technology and Body Armor additive to bond longer and stronger to the car's surface. The only protectant with a 30 day guarantee. Available in 6 gal and 30 gal.

Order No. 1002

Supershield

A powerful protectant containing Body Armor additive. Provides a remarkable long lasting shine and a pleasant grape scent. Available in 6gal and 30 gal.

Order No. 1505

Durashield Plus

Total car protectant with all the properties of Durashield plus a stronger fragrance and creamier profile to give a richer, foamier visual. Available in 6 gal.

Order No. 1695

Cool Dry

Premium drying agent for use in final rinse arches. Instantly forms small beads of water. Has a pleasant cherry scent. Available in 6 gal and 30 gal.

Order No. 1508

Super Blend Drying Agent

Premium drying agent which forms beads of water for fast drying. Available in 6 gal or 30 gal.

Order No. 1665

Hot Wax

High foaming polish with carnauba wax to give cars a hand waxed softness and shine. Exceptional show and Pina Colada scent. Available in 6 gal and 30 gal.

Order No. 1509

Rhino Sheen

A high quality protectant and polish. Provides medium foam and a mulberry scent. Available in 6 gal.

Order No. 1086

Self-Serve Chemicals

Foamy Super Prep Gold

A very high percentage of surfactants in this formula make it an excellent presoak and fast acting car wash detergent. Super Prep Gold is a versatile, high foaming powder. Sold in 50lb or 100lb container.

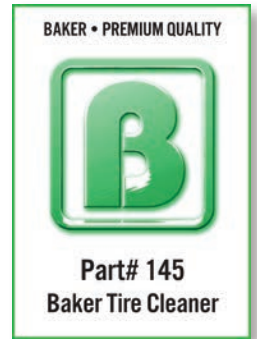

Order No. **1462**

Tire Cleaner

Baker powder Tire Cleaner is designed for use in automatic or self serve car wash facilities. This an economical product and is compatible with most automatic dispensing equipment. Sold in 50lb or 100lb container.

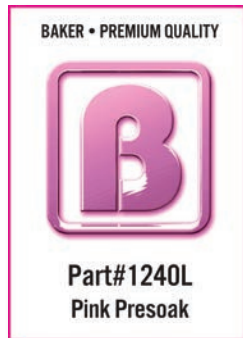

Order No. **145**

Pink Presoak

This liquid presoak is to be used before the normal wash cycle in both self serve and full serve carwashes. When sprayed on the car before washing, it helps soften and remove most bugs, road film, grease and dirt. Cars get cleaner faster with less effort. Available in 5 gallons.

Order No. **1240**

Baker Thunder

A premium quality liquid bay or presoak detergent designed to be used in automatics, self serve and full service applications. Baker Thunder allows for quick penetration on bugs, oil, and road film. Sold in 5 gal or 30 gal container.

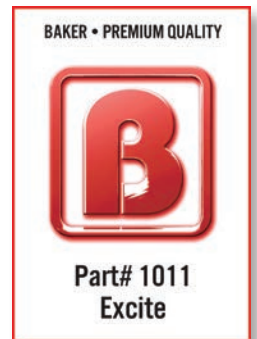

Order No. **1003**

Excite

All season presoak and bay wash. This is an extremely versatile and concentrated liquid cleaner. This medium to high alkaline detergent is designed to remove the toughest dirt and road film. It has a pleasant cherry almond scent. 5 gallons.

Order No. **1011**

Cherry Foam Brush

This a highly concentrated foaming detergent for brushes in self serve carwashes. It produces a thick, shaving cream like foam when mixed with air and run through a foam generator. 5 gallons.

Order No. **1622**

Self-Serve Chemicals

Raspberry Pink Foam Brush

The top selling concentrated foaming detergent is for use with foaming brush applications in self serve carwashes. Produces a thick shaving cream like foam when mixed with air. Raspberry fragrance. Sold in 5gal and 30 gal containers.

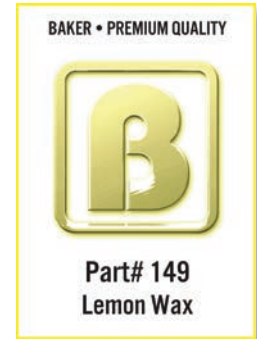

Order No. **1521**

Lemon Wax

Lemon Wax is a high quality spray wax for use in the full or self service carwash industry. It provides excellent beading of water and imparts a shine to the cars surface. Has a lemon fragrance. 5 gallons.

Order No. **149-5**

Ultimate Tire Cleaner

It is designed to attack soil and grim on tires and wheels. Quick acting. It has a foam that adheres to the tire to provide extra dwell time. It has a yellow green dye. 5 gallons.

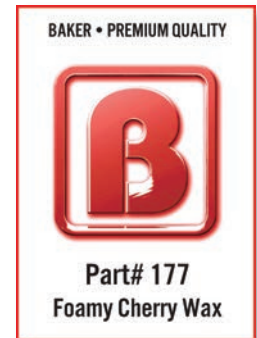

Order No. **1007**

Foamy Cherry Wax

This a high quality liquid spray wax for use in self serve or full serve carwashes. It provides excellent beading of water and imparts a shine to the car surface. Light seltzer like foam. It has a cherry scent. 5 gallons.

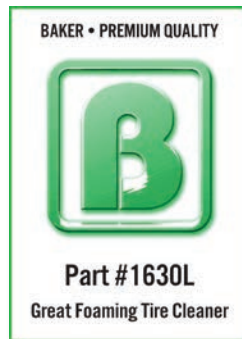

Order No. **177-5**

Great Foaming Tire Cleaner

Great Foaming Tire Cleaner is a highly concentrated liquid product with additional active components for exceptional cleaning power. Reacts very quickly with stubborn soils and scuff marks. Produces a foam that sticks to the tire for extra dwell time and better soil remover. Bright yellow green dye. 5 gallons.

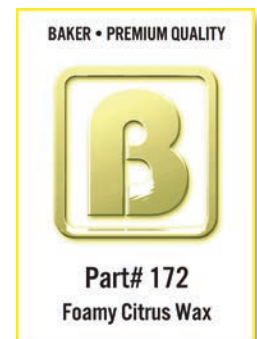

Order No. **1630**

Foamy Citrus Wax

Foamy Citrus Wax is a high quality spray wax for use in the full or self service carwash industry. It provides excellent beading of water and imparts a shine to the cars surface. Light foam and a bright citrus scent. 5 gallons.

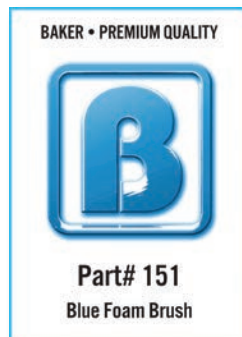

Order No. **172-5**

Blue Foam Brush

Blue foam brush is a highly concentrated foaming detergent for foam brush applications in self serve carwashes. Blue foam brush produces a thick shaving cream like foam when mixed with air and run through a foam generator. 6 gallons.

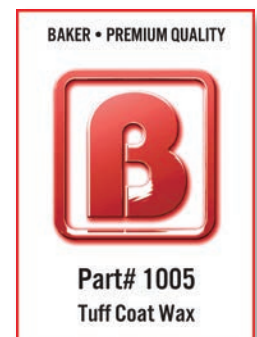

Order No. **151-5**

Tuff Coat Wax

Tuff Coat Wax is a cherry scented premium, high quality carnauba wax. Specifically formulated for car wash use. It creates an immediate beading of water. This product will reduce water spotting on glass, metal, trim and car finishes. When used in full service application where air blowers are utilized, it significantly reduces hand toweling. 5 gallons.

Replacement cap for the Tornador.

Order No. **Z-010.CT300**

iBrid Nano - Long Neck Kit

iBrid ushers in an era of innovation, flexibility, versatility, and sustainability. The new iBrid manufacturing concept will increase process efficiency and optimize the user experience. The functionality of a battery and the option of corded electric supply, all without interruption of the task at hand. The dual power supply is joined by multi-action movements in the Nano that will revolutionize the approach to cleaning and detailing. The high performance motor saves energy offering optimal performance with low environmental impact and ultimately energy savings. iBrid technology is now a reality. Backed by the BigFoot family name, its pedigree is one of reliability and quality. Paired with the full range of foams, compounds, and accessories for virtually limitless applications. You'll certainly be surprised by the new BigFoot Nano, a multi-action tool, operated effortlessly in just one hand. Orbital movement, rotary movement, polishing, sanding, cleaning, all-in-one compact easy to use system. With its interchangeable accessories, BigFoot Nano iBrid includes 3 tools in one!

Order No. **HR81ML/DLX**

Rupes LHR 15ES Random Orbital Polisher

Built to handle any detailing situation, the new LHR 15 MarkII is the new frontier of Detailing. The ergonomic design allows for precise paint correction with complete comfort, including curved surfaces and difficult to reach areas. More powerful with a higher RPM level, 30% more efficient, in spite of the smaller 15 mm orbit the machine is equipped with.

Order No. **LHR 15II/DLX**

Rupes LHR 21MarkII Random Orbital Polisher

The 21 mm orbit is suitable for all polishing operations on all types of surfaces: painted surfaces or recently painted surfaces and finishing applications

Order No. **LHR 15II/DLX**

LHR 75E Mini Random Orbital Polisher

The LHR 75E is the polisher for difficult shapes and for spot repair operations. The LHR 75E is a must for any detailer wishing to obtain perfect results, even in the most difficult areas. The 12 mm orbit, combined with RUPES accessories and consumables, achieves quick results on areas such as mudguards, front panels, etc.

Order No. **LHR 75E/STD**

Swirl Finder Pen Light

Compact and lightweight, the new RUPES LL 150 Swirl Finder Pen Light is a portable penlight that is specially engineered for optimized output and run time. Featuring a push-button tail-cap switch for a single-handed operation, the RUPES LL 150 is an essential lighting tool for professionals.

Order No. **LL-150**

Rupes Polishing Foam Pads

The grey pad is the new for 2015 UHS Pad, and was designed specifically for use with Rupes UHS Ultra High Solid Surface Polishing Compound. It can also be used with a variety of buffing liquids, including Rupes Zephr, Quarz, and Keramik Buffing Gels. This pad is very dense, and feels similar to a very firm memory foam. As it warms during use, it becomes soft and pliable, enabling it to cut remarkably well, yet leave a scour-free finish. This pad should be cleaned often during use, in order to avoid saturation of the foam.

Order No. **BF180U/16** Grey 7" Pad

Rupes Polishing Foam Pads

This pad is the *first step* in the Rupes Big Foot Polishing System. The Blue Coarse Foam Pad is very aggressive in its construction and was designed to be used with Rupes Zephir Gloss Coarse Gel Compound. This combination of pad and product, when used on the Rupes Big Foot Random Orbital Polisher, is capable of removing up to 1500 grit sanding marks

- Order No. **BF180H/16** Blue 7" Pad
- Order No. **BF150H/16** Blue 6" Pad
- Order No. **BF100H/4** Blue 4" Pad

Rupes Polishing Foam Pads

This pad is the *second step* in the Rupes Big Foot Polishing System. The Green Medium Foam Pad is very dense in its construction and was designed to be used with Rupes Quarz Gloss Medium Gel Compound to remove swirl marks, water spots and other paint imperfections.

- Order No. **BF180J/16** Green 7" Pad
- Order No. **BF150J/16** Green 6" Pad
- Order No. **BF100J/4** Green 4" Pad

Rupes Polishing Foam Pads

This pad is the *third step* in the Rupes Big Foot Polishing System. The Yellow Polishing Foam Pad was designed to be used with Rupes Keramik Gloss Fine Gel Polish to remove light swirl marks, holograms, clay-induced marring, and other light paint imperfections.

- Order No. **BF180M/16** Yellow 7" Pad
- Order No. **BF150M/16** Yellow 6" Pad
- Order No. **BF100M/4** Yellow 4" Pad

Rupes Polishing Foam Pads

This pad is the *fourth and final step* in the Rupes Big Foot Polishing System. The White Finishing Foam Pad is exceptionally soft in its construction and was designed to be used with Rupes Diamond Ultra Fine Gel Polish to maximize gloss and clarity before applying a wax or sealant.

- Order No. **BF180S/2** White 7" Pad

Gel compound fine

Water-soluble fine abrasive gel, designed to be applied on medium-hard velcro buffers and used to completely remove defects even from particularly hard transparent layers, without leaving halos and holograms. Ideal to perform spot repair operations in one step after the use of P3000 microabrasives.

Order No. **BFKERAMIK**

Gel compound medium

Abrasive gel with medium aggressive properties. Ideal to easily remove superficial scratches and scoring marks produced by the brushes of car washes, without leaving halos and holograms, produced by grains down to P2500.

Order No. **BFQUARZ**

High Solids Clear Coat Correction Compound

Designed for scratch resistant and high solid ceramic paints, the RUPES UHS Polishing System removes imperfections and leaves a high-gloss finish in just 1-step.

Order No. **BFUHS**

Gel compound coarse

High performance abrasive gel. Ideal to quickly remove scratches, optimises the restoration of paints, including fully catalyzed ones, and enhances the polish of surfaces. Designed to be applied with hard velcro buffers and used to remove the marks produced by grains down to P1500.

Order No. **BFZEPHIR**

Diamond Ultrafine Gel Polish

Rupes Diamond Ultra Fine Gel Polish is a finishing polish that is engineered to work with the long-stroke design of Rupes' Big Foot series of dual-action random orbital polishers. This finishing polish, when used with the appropriate Rupes White Finishing Foam Pad, is designed to smooth over any faint swirl marks or imperfections that rob paint of its ultimate shine. Rupes Diamond Ultra Fine Gel Polish is the perfect final step for anybody who appreciates a mirror-like shine.

Order No. **BFDIAMOND**

Extractor

Sandia Extractor

12 gallon Automotive Extractor with Heat. deal for any detailing job and great for rental units. The heated unit works off only one power cord, making it easier for use in locations with limited power source options. Fastest soil pick-up with high CFM airflow. A durable pump delivers heated extracting solution into the carpet. Heats extracting solution to 200 degrees Fahrenheit with a 1200 Watt in-line heater! The powerful vacuum motors recover the spent solutions and soil. Includes convenient waist-high controls for easy operation with no bending or lifting. Non-skid, non-marking 10" wheels for easy stair climbing.

Order No. **80-4000-H**

Extractor Water Pump

- We Recycle Your Car, and We Recycle the Environment!

General Information

Ordering

Call toll-free 800-442-1051, or in Dallas call 214-630-1051. Fax order to us at 214-630-9058.

Orders placed after 3:00 p.m. CT will be shipped the next business day. Hours: Monday-Friday 8:00am-5:00pm & Saturday 9:00am-12:00pm CT. No shipments on Saturday.

Terms

NET 15 days from the invoice date for approved credit accounts. Invoices remaining unpaid after due date will bear interest at 18% annual rate.

Conditions of Credit

Baker Equipment & Supply may hold shipments for accounts which are past due or exceeding their credit limit

Warranties

All warranties are provided by the manufacturer of the product Baker Equipment & Supply offers no other warranties, expressed or implied. The customer is responsible for the transportation and labor costs in connection with warranty repair or replacement.

Return Policy

Call for a return authorization number before returning any parts. No returns will be credited without prior authorization from Baker Equipment & Supply. All returns must be accompanied by the original invoice or invoice number. All returned parts must be new and in original packaging. No returns will be accepted after 30 days.

Special orders may only be returned with the permission of the manufacturer. If the factory restock charges are issued, they will be deducted from your credit memo.

Shipping Policy

All prices are F.O.B. our warehouse in Dallas, Texas. You may choose a specifier carrier when you place your order. Inspect your packages for damage upon delivery and notify delivery agent of any damage before they leave your site. All freight claims are the responsibility of the carrier.

Drop shipments are available at no extra charge from most of our manufacturers. Freight will be prepaid and added to your invoice unless prior arrangements have been made.

Pricing

Because of unstable market conditions and constantly changing prices from our vendors, prices are subject to change without notice.
